# Run and Not Be Weary

*One hundred and fifty recipes built on protein, fiber and staying full, with primary ingredients from the bishops' storehouse. Every one carries real macros and a computed nutrition score.*

VOLUME I OF II

*And shall run and not be weary,  
and shall walk and not faint.*

DOCTRINE AND COVENANTS 89:20

# How to read a recipe

*Primary ingredients come from the bishops' storehouse order.*

This is not an official product of The Church of Jesus Christ of Latter-day Saints and is not affiliated with or endorsed by the Church. It is a family's own collection, built from what their bishops' storehouse carries.

## THE NUMBER

Every recipe has one, running from 001 straight through both volumes. The contents at the front of each book lists them in order with its page.

## EFFORT

|          |                                                                   |
|----------|-------------------------------------------------------------------|
| Easy     | No real cooking, or one pan and a few minutes.                    |
| Medium   | A hot stove and some timing, but nothing that can go badly wrong. |
| In-depth | An afternoon, or a long slow oven, or a technique worth learning. |

## THE LINE UNDER THE TITLE

Servings, time, effort, and a nutrition score out of 100. Six things make it up: how much of the energy comes from protein (27 points, full marks at 45%), how many calories a serving carries (18, full marks up to 300), how much of the energy comes from fat (8, full marks at or below a tenth), how much sodium a serving carries (22, full marks to 300 mg and nothing left by 1,200), how much fiber (13, full marks at 7 g), and how much of the energy is carbohydrate that arrived without any (12).

That last one is not a carbohydrate count. Oats and frosting are both carbohydrate, and a number that cannot tell them apart is worse than no number. A gram of fiber covers ten grams of carbohydrate — roughly the ratio a whole food comes in — and only what is left over costs anything. A bowl of oats loses nothing; a mug of hot milk and brown sugar loses all twelve.

Sodium, fiber and carbohydrate are worked out from the ingredients rather than measured, in both volumes. Canned goods carry the salt; that is most of what the sodium figure is telling you.

It measures one thing only. A high score does not mean a dish is good, and a low one does not mean it is bad — a plate of fudge scores badly and is still fudge. Whether a recipe needs anything beyond the standard order is a separate question, answered on the line at its foot.

ALSO NEEDS

The line at the foot of each recipe. Either it says everything is on the standard list, or it names exactly what is not, so you know before you start rather than halfway through.

SERVINGS

Written for a household. Halving or doubling most of these is safe; baking is the exception, where the ratios are doing real work.

Temperatures and doneness

*Colour is not a reliable guide. A thermometer in the thickest part is.*

|          |                                                               |
|----------|---------------------------------------------------------------|
| 165°F    | Chicken and turkey, every cut, and anything reheated          |
| 160°F    | Ground beef and ground pork; egg dishes and casseroles        |
| 145°F    | Whole cuts of beef and pork, then rested three minutes        |
| 40–140°F | The range food should not sit in. Two hours out is the limit. |

Chicken is the one to be careful with. A crisp crust, clear juices or a long time in the oven are not proof it is done — thick breasts under a sauce take far longer than they look. Where a recipe cooks chicken, it says what to check for.

Ovens lie

Most run hot or cold by a good margin. Check five minutes before the stated time the first time you make something, and write the real time in the margin.

# Weights and swaps

*One cup, level, unpacked unless it says otherwise.*

|       |                                  |
|-------|----------------------------------|

| 220 g | Brown sugar, one cup, packed     |
| 120 g | Powdered sugar, one cup          |
| 227 g | Butter, one cup — two sticks     |
| 80 g  | Rolled oats, one cup             |
| 244 g | Milk or water, one cup           |
| 7 g   | Yeast, one packet — 2¼ teaspoons |

WHEN YOU ARE MISSING SOMETHING

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| Buttermilk         | A cup of milk with a spoonful of vinegar or lemon juice, left ten minutes                 |
| Self-raising flour | A cup of flour with 1½ teaspoons baking powder and a pinch of salt                        |
| One egg            | In a bake, three tablespoons of applesauce — not in a custard, where the egg is the point |
| Cake flour         | A cup of flour with two tablespoons taken out and two of cornstarch put back              |
| Sour cream         | Plain yogurt, in most things that are not baked                                           |

# Scrambled Egg & Black Bean Breakfast Bowl

INGREDIENTS

- 3 eggs
- ½ cup black beans
- ¼ cup salsa
- 1 tbsp sour cream

METHOD

- 1 Scramble the eggs in a buttered skillet over medium-low heat, stirring slowly, about 3 minutes — pull them while they still look slightly wet, because they carry on cooking in the pan.
- 2 Warm black beans in microwave for 30 secs.
- 3 Combine in a bowl, top with salsa and sour cream.

**BETTER WITH** *Hot sauce, cumin, fresh onion* A pinch of cumin over the beans while they warm, and a few dashes of hot sauce into the salsa. A tablespoon of finely diced raw onion on top gives it the crunch a soft bowl is missing.

METHOD

- 1 Heat waffle iron.
- 2 Blend pancake mix, cottage cheese, egg, and 2 tbsp water until smooth.

# Baked Egg & Hash Brown Cups

INGREDIENTS

- 1 cup grated potato
- 3 eggs
- salt
- pepper

METHOD

- 1 Preheat oven to 375°F.
- 2 Spray 3 muffin cups with oil and press grated potatoes into bottom/sides.
- 3 Bake the potato shells on their own for 15 minutes first, until the edges are going gold. Raw grated potato will not cook through in the time an egg needs — it comes out crunchy in the wrong way. Then crack an egg into each and season with salt and pepper.
- 4 Back in at 375°F for 12 to 14 minutes, until the whites are set and the yolks still soft. Give them 3 minutes more if you want the yolk hard. A spoon of salsa on top, or a tablespoon of cheddar in the last minute: acid, salt and a crust, and neither changes the day much.

# Savory Beef & Egg Morning Hash

INGREDIENTS

- 3 oz ground beef
- 2 eggs
- ½ cup diced potatoes

METHOD

- 1 Fry the cubed potatoes in oil over medium-high about 10 minutes, until gold. Then add the beef, 6 to 8 minutes more, until no pink is left. Both at once leaves raw potato and overcooked beef.
- 2 Push to side and fry 2 eggs in same pan for 3 mins. A spoon of salsa on top, or a tablespoon of cheddar in the last minute: acid, salt and a crust, and neither changes the day much.

# Cottage Cheese & Egg Fluffy Omelet

INGREDIENTS

- 2 eggs
- ½ cup cottage cheese
- black pepper

METHOD

- 1 Whisk the eggs hard for a good 30 seconds, until they are pale and frothy with bubbles on top — that air is the whole of "fluffy", and it goes flat if the pan is not ready. Fold in the cottage cheese and pepper at the end, gently.
- 2 Pour into non-stick pan over low heat, cook 5 mins, fold in half, cook 2 more mins.

# Sausage & Egg Muffin Cups

INGREDIENTS

- 4 eggs
- 2 oz pork sausage
- ¼ cup onions

METHOD

- 1 Preheat oven to 350°F.
- 2 Cook the sausage and onions in a skillet over medium heat for about 5 minutes, breaking the sausage up, until no pink is left in it. Get the pan hot before the pork goes in, and leave it alone until it lets go of the pan on its own — grey meat is meat that was stirred too soon.
- 3 Divide into 4 muffin tins, pour beaten egg into each.
- 4 Bake at 350°F for 18 minutes, until the egg is set at the centre and does not wobble when you nudge the tin. A spoon of salsa on top, or a tablespoon of cheddar in the last minute: acid, salt and a crust, and neither changes the day much.

# Vanilla Protein Oat Mash

INGREDIENTS

- ½ cup oats
- 1 scoop vanilla whey
- splash milk
- cinnamon

METHOD

- 1 Microwave the oats in 1 cup of water for 2 minutes, in a bowl at least twice as big as it needs to be — oats and water climb the sides and go over. Toast the oats two minutes in the dry pan first, until they smell like biscuits, and then add the liquid. Nutty instead of flat.

# Egg White & Cottage Cheese Scramble

*Low Heat, Slow Push*

INGREDIENTS

- 1 cup egg whites
- 1/2 cup cottage cheese
- 1/4 tsp salt
- 1/4 tsp black pepper

METHOD

- 1 Warm a non-stick pan over medium-low. Egg whites want lower heat than whole eggs — too hot and they go rubbery before the middle sets.
- 2 Pour in the whites. Leave them thirty seconds, then push them slowly from the edge to the middle with a spatula. Slow and few is the whole trick; stirring fast makes them weep.
- 3 When they are mostly set but still glossy, take the pan off the heat and fold the cottage cheese through. The residual heat is enough — cook it and it splits.
- 4 Salt and pepper at the end. Salting whites early draws the water out and you end up cooking them in it.
- 5 On the plate in six minutes, and it holds like a much bigger breakfast.

# Fortified Oat Porridge

*Milk Powder Off the Heat*

INGREDIENTS

- 1/3 cup oats
- 1 cup water
- 1/2 cup non-fat dry milk
- 1/2 tsp cinnamon
- 1 tsp brown sugar

METHOD

- 1 Oats and water into a small pan over medium heat. Stir now and then until it thickens, about 5 minutes. Toast the oats two minutes in the dry pan first, until they smell like biscuits, and then add the liquid. Nutty instead of flat.
- 2 Off the heat, whisk the dry milk in. Off the heat matters: dry milk stirred into a boiling pan goes grainy and will not come back.
- 3 Cinnamon and sugar, and let it sit 2 minutes. It thickens again as it stands, which is why it looks thin when you stop cooking it.
- 4 Oats on their own are a thin breakfast. The dry milk is what makes this one hold until lunch.

# Ham & Egg White Skillet

*Two Ounces Does the Work*

INGREDIENTS

- 1 cup egg whites
- 2 oz diced ham
- ½ cup chopped onion
- ¼ tsp black pepper

METHOD

- 1 Onion into a dry non-stick pan over medium heat with a splash of water. Let it soften 5 minutes — the water keeps it from catching without adding a spoon of oil.
- 2 Ham in for 1 minute, just to warm it and let the edges colour.
- 3 Whites over the top. Leave it alone until the edges set, then push gently from the outside in.
- 4 Pepper at the end and no salt: the ham has brought plenty.
- 5 The ham is here for flavour rather than for protein — two ounces is enough to make the whole pan taste of it without the fat that four would bring. A spoon of salsa on top, or a tablespoon of cheddar in the last minute: acid, salt and a crust, and neither changes the day much.

# Tuna & Egg White Breakfast Hash

*Drain It Properly*

INGREDIENTS

- 1 can tuna
- ¾ cup egg whites
- ½ cup chopped bell pepper
- ¼ tsp black pepper

METHOD

- 1 Drain the tuna properly. Pressing the lid down until nothing more runs out is worth ten seconds — wet tuna steams instead of frying and the pan goes grey.
- 2 Peppers into a dry non-stick pan over medium-high with a splash of water, 4 minutes, until they take a little colour.
- 3 Tuna in, broken up with the spatula, 1 minute.
- 4 Whites over, and from here it is the scramble: leave it, push it slowly, stop while it still looks slightly wet.
- 5 It reads oddly at seven in the morning and eats like an ordinary hash. A spoon of salsa on top, or a tablespoon of cheddar in the last minute: acid, salt and a crust, and neither changes the day much.

# Chicken & Pepper Breakfast Skillet

*A Dry Pan and a Hot One*

INGREDIENTS

- 12 oz chicken breasts
- 1 cup egg whites
- 2 bell peppers
- 1 onion
- 1 tsp paprika
- 1 tsp garlic powder
- ½ tsp black pepper

METHOD

- 1 Cut the chicken into small pieces — smaller than you think, because they have to cook through before the peppers give up their bite. Pat the chicken dry and lay it in a hot pan, and do not move it until the underside is brown. Wet chicken steams; dry chicken browns.
- 2 Dry the pan hot, then the chicken, and leave it alone until one side has colour on it. Moving it early is what makes chicken breast grey and weep.
- 3 In with the sliced peppers and onion and the paprika, garlic powder and pepper. Cook until the onion goes soft and sweet.
- 4 Push it all to one side, pour the egg whites into the space, and let them set before you fold the two together.

# Shredded Beef & Onion Morning Hash

*Past Soft, Into Sweet*

INGREDIENTS

- 10 oz stewing beef
- 2 onions
- 1 bell pepper
- 1 cup egg whites
- 1 tsp paprika
- 1 tsp ground cumin
- ½ tsp black pepper

METHOD

- 1 Brown the beef in a heavy pan, then cover it and leave it on the lowest heat until it pulls apart under a fork. This is the slow part and there is no way around it.
- 2 Shred it in the pan with two forks and let the liquid cook away.
- 3 Add the sliced onion and pepper with the spices. The onion wants to go past soft into sweet.
- 4 Fold the egg whites through at the end, off the heat, so they set on the beef rather than scrambling separately.

METHOD

- 1 Poach the chicken in barely-moving water until it is just done, then let it rest before you slice it. Boiling it hard is what makes poached chicken taste like nothing.
- 2 Quarter the tomatoes and cook them in a dry pan until they collapse and their liquid thickens.
- 3 Scramble the egg whites soft in the same pan.

METHOD

- 3 Add the peppers, the thyme and the paprika, then the pulled pork, and press it all flat to crisp underneath.

## Poached Chicken & Broccoli Breakfast Plate

*Bright, With Resistance*

### INGREDIENTS

6 oz chicken breasts

2 cups broccoli

½ cup egg whites

1 tsp garlic powder

½ tsp black pepper

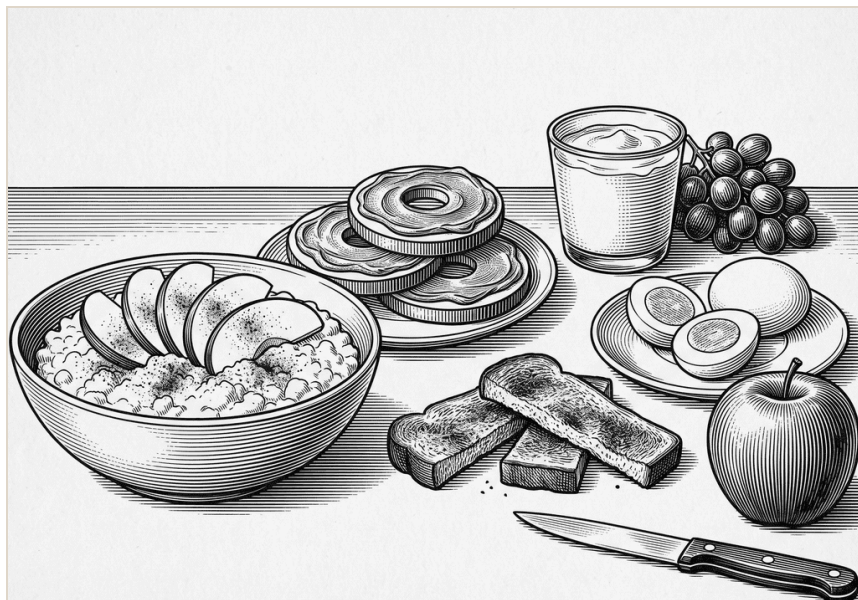

### METHOD

- 1 Poach the chicken gently and let it rest, then slice it against the grain. Salt the chicken fifteen minutes ahead, pound the thick end level, and give it five minutes off the heat before it is cut. Dry chicken is a method problem, not a chicken problem.
- 2 Steam the broccoli until it is bright and still has some resistance. Overcooked broccoli is the reason people say they do not like broccoli. Or roast it: oil, salt, 425°F, twenty minutes, until the edges go dark. Steamed broccoli is a chore; roasted broccoli is a snack.
- 3 Set the egg whites in a dry pan and cut them into ribbons.
- 4 Plate the three together with the garlic powder and pepper.

# Vanilla Milk Gelatin Cups

*Bloom It Cold, Melt It Warm*

INGREDIENTS

- 2 packets gelatin
- 1/2 cup cold water
- 2 cups milk
- 1 cup non-fat dry milk
- 2 tbsp sugar
- 1 tsp vanilla

METHOD

- 1 Sprinkle the gelatin over the cold water in a bowl and leave it 5 minutes. It swells and goes wrinkled. This step cannot be skipped or hurried with heat — gelatin dropped straight into hot liquid seizes into strings.
- 2 Warm the milk in a pan with the dry milk and sugar whisked in. Warm, not boiling: boiling weakens gelatin and it will not set properly.
- 3 Pour the hot milk over the bloomed gelatin and stir until it is completely clear. Hold it to the light. Any grain still there now will still be there tomorrow. Vanilla in last, off the heat, so none of it cooks away.
- 4 Into two cups, cool on the counter, then fridge 4 hours.
- 5 The gelatin is here to set it, not to feed you — a packet is seven grams and most of the protein is coming from the dry milk. This is the answer to nine at night.

# Tuna & Cucumber Rounds

*One Spoon of Mayo, Not Two*

INGREDIENTS

- 1 can tuna
- 1 cucumber
- 1 tbsp mayo
- ¼ tsp black pepper

METHOD

- 1 Slice the cucumber into rounds about a finger thick. Thinner and they bend under the tuna.
- 2 Drain the tuna hard, then mix it with the mayo and the pepper.
- 3 A spoonful on each round.
- 4 One tablespoon of mayo across a whole can is enough to bind it. Two is where a lean snack quietly becomes a fatty one.

# Canned Chicken Lettuce Cups

INGREDIENTS

- 5 oz canned chicken
- 2 cups shredded lettuce
- 1 tbsp mustard
- ¼ tsp black pepper

METHOD

- 1 Drain the chicken and break it up with a fork.
- 2 Mustard and pepper through it. Mustard binds nearly as well as mayo.
- 3 Spoon into the lettuce leaves.
- 4 Lean enough to eat twice in a day and still feel like a meal both times.

# Cinnamon Milk Gelatin Whip

*Whip It Half-Set*

INGREDIENTS

- 2 packets gelatin
- ½ cup cold water
- 1½ cups milk
- 1 cup non-fat dry milk
- 2 tbsp sugar
- 1 tsp cinnamon

METHOD

- 1 Bloom the gelatin in the cold water, 5 minutes, as always.
- 2 Warm the milk with the dry milk, sugar and cinnamon whisked through, and pour it over the gelatin. Stir until clear.
- 3 Fridge until it is just starting to set — thickened but still loose, about 90 minutes. Setting it hard first is the mistake; you cannot whip a set jelly.
- 4 Beat it hard for 2 minutes. It doubles and goes pale, like a mousse.
- 5 Back in the fridge 2 hours. It holds the air it took.
- 6 Same as the cups, twice the volume.

# Savoury Cottage Cheese & Cucumber

*Salt the Cucumber First*

INGREDIENTS

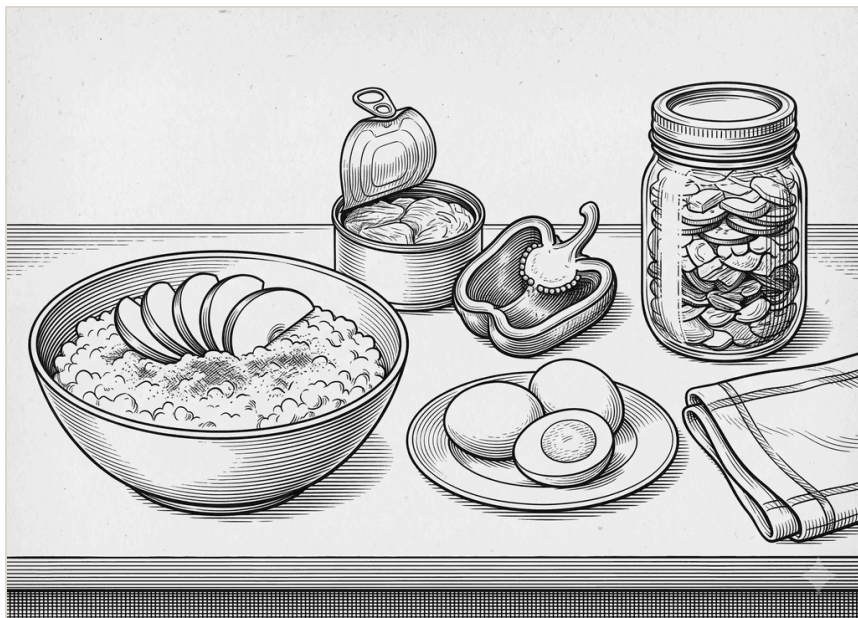

- 1 cup cottage cheese
- 1 cucumber
- ¼ tsp salt
- ¼ tsp black pepper

METHOD

- 1 Dice the cucumber small and salt it lightly. Leave it 5 minutes in a sieve and it gives up water that would otherwise thin the bowl.
- 2 Stir it through the cottage cheese with the pepper.
- 3 Unlike everything else in this section it is savoury, which matters more than it should on the fourth day of a cut, when everything sweet has started to taste the same.

## Chicken & Broccoli Cold Bowl

*Cold Water Stops It*

### INGREDIENTS

6 oz chicken breasts

2 cups broccoli

1 onion

1 tsp garlic powder

½ tsp black pepper

### METHOD

- 1 Poach and cool the chicken, then pull it into pieces rather than cutting it. Pulled chicken holds seasoning where sliced chicken sheds it.
- 2 Steam the broccoli and drop it into cold water the moment it turns bright, which stops it cooking and keeps it from going grey in the fridge.
- 3 Toss everything with the raw onion, garlic powder and pepper.
- 4 Fresh broccoli rather than a tin: the canned vegetable carries most of the salt in a bowl that is otherwise almost none.

- 2 Grate the carrots and cut the apple into matchsticks — matchsticks rather than cubes, so the apple reads as part of the slaw instead of a fruit sitting in it.

# Beef Stew Meat & Mashed Potato Bowls

INGREDIENTS

- 1.2 lbs stewing beef
- 2 cups instant potatoes 338
- 1 can green beans

METHOD

- 1 Simmer stew meat in 1 cup water for 35 mins until tender.
- 2 Make up the mashed potatoes from the flakes — about 2 cups of flakes to 2 cups of boiling water and a splash of milk, or whatever the tub says. Out of flakes? Recipe 338 does it from the potatoes on the order.
- 3 Serve beef and green beans over potatoes in 4 containers.

**BETTER WITH** *Onion, garlic, bay, thyme, Worcestershire, A bottle of vinegar, Soy sauce* Brown the stew meat first, then simmer it with a quartered onion, two cloves of garlic, a bay leaf and a pinch of thyme. Meat simmered in plain water tastes like meat simmered in plain water. A splash of Worcestershire at the end. A teaspoon of vinegar stirred in at the end, off the heat. It does not taste of vinegar; it tastes like the pot woke up. A tablespoon of soy sauce in with the liquid. Nobody tastes soy; they taste more beef.

## Roasted Chicken Breast & Potato Wedges

INGREDIENTS

- 1.5 lbs chicken breast
- 1.5 lbs potatoes (wedged)
- paprika
- black pepper

METHOD

- 1 Heat the oven to 400°F.
- 2 Season chicken and potato wedges with paprika and pepper. Pound the thick end level and salt it while the pan heats; rest it five minutes before cutting. Even thickness is what stops the thin end drying out while the thick end catches up.
- 3 Roast on sheet pan at 400°F for 30 mins. Divide into 4 containers. Thick breasts may want another five minutes. Done means 165°F and clear juices.

- 4 tbsp hot sauce

# Braised Stewing Beef with Carrots & Onions

Season at the Table

INGREDIENTS

- 2 lbs stewing beef, trimmed
- 6 carrots
- 3 onions
- 1 tsp dried thyme
- 1 tsp black pepper
- 2 cups water

METHOD

- 1 Trim the beef first: the white cap and every seam of fat a knife can get into. Stewing beef is cut from the chuck, which is a fatty piece, and what comes off now is fat that never has to be skimmed later.
- 2 Brown the beef hard in a dry heavy pot, in batches. Crowding the pot steams the meat and you lose the colour that the whole dish is built on.
- 3 Onions in next, cooked down in what the beef left behind.
- 4 Back in with the beef, the water, the thyme and the pepper. Lid on, lowest heat.
- 5 Add the carrots in large pieces for the last stretch so they hold their shape.
- 6 Skim what has risen to the top, then season at the table rather than in the pot. A braise concentrates as it reduces, so salt added early ends up doubled.

**BETTER WITH** *A head of garlic, A bottle of vinegar* Two cloves of garlic, chopped, into the pan for the last thirty seconds before the liquid goes in — any longer and it burns bitter. A teaspoon of vinegar stirred in at the end, off the heat. It does not taste of vinegar; it tastes like the pot woke up.

# Roast Pork with Peppers & Onions

*Dry Surface, Hot Start*

INGREDIENTS

- 2 lbs pork roast, trimmed
- 4 bell peppers
- 3 onions
- 1 tsp paprika
- 1 tsp ground cumin
- 1 tsp black pepper

METHOD

- 1 Trim the cap off the shoulder — the thick white layer on the outside. The fat that runs through the meat is out of reach of a knife, and that is what the draining at the end is for.
- 2 Rub the roast with the paprika, cumin and pepper and leave it uncovered in the fridge for a few hours. A dry surface is what lets it brown instead of steam.
- 3 Roast it hot to start, then drop the heat and take it slowly the rest of the way.
- 4 Peppers and onions onto the tray for the last stretch, where they cook in the drippings.
- 5 Rest it, then pull or slice it, and drain what has rendered before it goes on the plate.
- 6 Shoulder carries its fat inside the meat, so what you drain off is real and worth draining.

# Sheet-Pan Chicken with Broccoli & Peppers

*Hot, So It Chars*

INGREDIENTS

- 1¼ lbs chicken breasts
- ½ lb broccoli
- 2 bell peppers
- 1 tbsp oil
- 1 tsp paprika
- 1 tsp garlic powder
- ½ tsp black pepper

METHOD

- 1 Cut the broccoli into small florets and the peppers into wide strips, and toss them on the tray with the oil, the paprika and the garlic powder.
- 2 Lay the chicken breasts on top, pepper over everything, and into a hot oven — hot, so the vegetables char at the edges before the chicken dries out.
- 3 Take the chicken off as soon as it is done and rest it while the vegetables have another few minutes to catch.
- 4 Slice the chicken across the grain and pile it back on the tray to serve.
- 5 One tablespoon of oil for the whole tray, and all of it on the vegetables. Chicken breast browns on its own; broccoli does not.

# Chicken with Green Beans in Tomato & Onion

*The Tin Only Supplies the Beans*

INGREDIENTS

- 1¼ lbs chicken breasts
- 1 can green beans
- 3 tomatoes
- 1 onion
- 1 tsp dried oregano
- 1 tsp dried basil
- ½ tsp black pepper

METHOD

- 1 Brown the chicken hard in a dry pan and set it aside; it finishes in the sauce. Pound the thick end level and salt it while the pan heats; rest it five minutes before cutting. Even thickness is what stops the thin end drying out while the thick end catches up.
- 2 Cook the sliced onion in the same pan until it softens, then add the tomatoes in quarters and cook them down until they collapse into something you would call a sauce.
- 3 Drain and rinse the green beans — rinsing takes a fair part of the tin’s salt down the sink with it — and stir them in with the oregano and basil.
- 4 Chicken back in, lid on, low until it is cooked through, then the pepper.
- 5 Fresh tomatoes make the sauce and the tin only supplies the beans, which is the way round that keeps the salt where a cut can afford it.

BETTER WITH *A head of garlic, A lemon*

INGREDIENTS

- 1 tsp chili powder

- ½ onion
- 2 tbsp cilantro

388 kcal · 66g protein · 13g carbs · 8g fat

METHOD

- 1 Butterfly the chicken breasts so they are an even thickness, and rub them with the cumin, the chili powder and the zest of the lime.
- 2 Cook them in a dry pan hot enough that they colour in the first minute, then turn once and finish.
- 3 While they rest, dice the cucumber and tomatoes, slice the onion paper-thin and toss it all with the juice of the lime and the cilantro.
- 4 Slice the chicken and serve it over the salad, so the juices run into it.
- 5 The lime is doing what salt would do. Acid makes food taste seasoned.

# Braised Beef with Peppers & Tomatoes

*Lifts Off in One Piece*

INGREDIENTS

- 2 lbs stewing beef, trimmed
- 3 bell peppers
- 2 onions
- 4 tomatoes
- 1 tsp ground cumin
- 1 tsp chili powder
- 1 tsp black pepper
- 1 cup water

METHOD

- 1 Trim the beef of every seam of fat a knife can get into before it goes near the pot. Stewing beef is chuck, and chuck is a fatty cut; what you cut off now is fat that never has to be skimmed later.
- 2 Brown it hard in batches in a dry heavy pot, and do not crowd it.
- 3 Onions in, cooked in what the beef left behind, then the cumin and chili powder for a minute, then the tomatoes in quarters and the water.
- 4 Beef back in, lid on, lowest heat, until it gives under a fork. The peppers in wide strips for the last half hour.
- 5 Skim the top before it goes out, and pepper it at the table. Cooled overnight the fat lifts off in one piece, which is the easiest skimming there is.

## Chicken & Broccoli with Ginger & Garlic

*No Soy Sauce*

### INGREDIENTS

1¼ lbs chicken breasts

¾ lb broccoli

1 bell pepper

1 tbsp oil

1 tsp ground ginger

1 tsp garlic powder

½ tsp black pepper

¼ cup water

### METHOD

- 1 Slice the chicken thin across the grain and toss it with the ginger, the garlic powder and the pepper.
- 2 Get the oil smoking in the widest pan you have and cook the chicken in two batches, moving it only once it has caught. Pat the chicken dry and lay it in a hot pan, and do not move it until the underside is brown. Wet chicken steams; dry chicken browns.
- 3 Broccoli in small florets and the pepper in strips go in next with the water, lid on for two minutes to steam them, then lid off to drive the water away. Or roast it: oil, salt, 425°F, twenty minutes, until the edges go dark. Steamed broccoli is a chore; roasted broccoli is a snack.
- 4 Chicken back in, tossed through until it is hot.
- 5 A stir-fry with no soy sauce, because a tablespoon of it is close to half a day's salt on a cut. Ginger and garlic carry the dish on their own.

METHOD

- 2 Cook the onions and peppers, diced, until they soften, then the chili powder, cumin and oregano for a minute in the dry pot so they toast.
- 3 The diced tomatoes with their juice — half of the big tin; the rest keeps — and the chicken back in. Simmer uncovered until it thickens.

- pinch salt

METHOD

- 1 Melt the brown sugar with a splash of the milk in a small pan over low heat, and let it bubble for a minute until it smells like caramel rather than like sugar.
- 2 Whisk in the rest of the cold milk, the dry milk, the cinnamon and the salt, off the heat, until smooth.
- 3 Add the hot water and bring it back to steaming, stirring. Do not let it boil.
- 4 Stir in the vanilla last. Heat drives it off, so anything added earlier is wasted.

- ½ packet hot cocoa mix
- 2 tsp peanut butter
- 1.5 cups hot water
- ½ tsp cinnamon

METHOD

- 1 Put the peanut butter in the mug on its own and stir in two tablespoons of the hot water until it loosens into a sauce. Add it to everything else at once and it stays a lump on the bottom.

- 3 Add the rest of the hot water slowly, stirring, until it is smooth.
- 4 It separates as it stands. Stir it again halfway down the mug.

# Banana Malt Milk

*Freeze the Banana Peeled*

INGREDIENTS

- 1 frozen banana
- ½ cup non-fat dry milk
- ½ cup 2% milk
- ½ cup cold water
- 2 tsp honey
- ½ tsp cinnamon

METHOD

- 1 Peel the banana before you freeze it. Frozen in the skin it is a job for a knife and a bad mood.

- 3 It thickens as it stands. Drink it inside ten minutes or add a splash more milk and stir.

# Peanut Butter Banana Shake

*Thick Enough to Hold a Spoon Mark*

- 1 tbsp peanut butter
- ½ cup non-fat dry milk
- 1 cup cold water
- ½ tsp cinnamon

349 kcal · 18g protein · 49g carbs · 9g fat

METHOD

- 1 Blend everything at once. Peanut butter behaves in a blender the way it does not in a mug — there is nothing to loosen first.
- 2 Stop while it is still thick enough to hold the mark of a spoon.

# Apple Pie Milk

*Start With the Applesauce*

INGREDIENTS

- ½ cup applesauce
- ½ cup non-fat dry milk
- ½ cup 2% milk
- ½ cup cold water
- 2 tsp brown sugar
- 1 tsp cinnamon
- ice

319 kcal · 17g protein · 56g carbs · 3g fat

METHOD

- 1 Whisk the dry milk into the applesauce first. It is thick enough to grind the lumps out against the side of the bowl, which milk alone will not do.
- 2 Stir in the milk, the brown sugar and the cinnamon.
- 3 Pour over ice. Cold and thin, it tastes like the last spoonful of the pie rather than the filling.

# Cold Oat & Cinnamon Milk

*Soak It the Night Before*

INGREDIENTS

- ¼ cup oats
- ½ cup non-fat dry milk
- 1 cup 2% milk
- 1 tsp honey
- 1 tsp cinnamon

METHOD

- 1 Soak the oats in the cup of milk in the fridge for at least an hour, and overnight if you have it. This is the whole recipe; everything after it takes a minute.
- 2 Blend the lot — oats, milk, dry milk, honey and cinnamon — until smooth.
- 3 Strain it through a sieve if you want it thin. Skip that and it is closer to a drinkable porridge, which is the better breakfast of the two.

# Chocolate Cottage Cheese Shake

*Blend the Curd Out First*

INGREDIENTS

- ¾ cup cottage cheese
- 1 packet hot cocoa mix
- ½ cup 2% milk
- 1 cup cold water
- ice

METHOD

- 1 Blend the cottage cheese with the milk on its own until it is completely smooth. Not nearly — completely. Any curd left at this stage is still there at the end.
- 2 Add the cocoa mix and the ice, and blend again.
- 3 Nobody who drinks this can tell it is cottage cheese, which is the only reason it is worth doing.

# Slow-Cooker Shredded Salsa Chicken Bowls

## INGREDIENTS

- 3 lbs chicken breast
- 1 jar salsa
- 1 can black beans
- 1 can corn
- lettuce
- tomatoes

## METHOD

- 1 Put chicken and salsa into slow cooker. Cook LOW 4 hours (or HIGH 2.5 hours). An onion first: chopped, into the hot fat, and left until the edges go gold before the rest arrives.
- 2 Shred chicken with 2 forks.
- 3 Divide into 6 containers over lettuce, beans, and corn. Chopped tomatoes over the top, added the day you eat it rather than now — they weep if they sit.

**BETTER WITH** *A head of garlic, Cumin and paprika* Two cloves of garlic, chopped, into the pan for the last minute of cooking — any longer and it burns bitter. A teaspoon of cumin and one of paprika in with the meat as it cooks. Or the taco seasoning: Recipe 294.

# Sheet-Pan Chicken & Roasted Veggie Medley

INGREDIENTS

- 3 lbs chicken breast
- 2 lbs potatoes
- 1 lb broccoli
- 1 lb bell peppers
- 1 tbsp oil

METHOD

- 1 Preheat oven to 400°F.
- 2 Cube chicken, potatoes, broccoli, and peppers. Toss with 1 tbsp oil, salt, pepper. Salt the chicken fifteen minutes ahead, pound the thick end level, and give it five minutes off the heat before it is cut. Dry chicken is a method problem, not a chicken problem.
- 3 Spread on 2 pans and bake at 400°F for 25 mins. Check the chicken before serving: no pink at the centre, 165°F on a thermometer.
- 4 Divide into 6 containers.

**BETTER WITH** *Garlic powder, paprika, oregano, lemon* A teaspoon each of garlic powder, paprika and oregano tossed with the oil before it all goes on the pan. Lemon squeezed over the lot as it comes out of the oven.

Stewing Beef & Root Veggie Slow-Cooker Stew

INGREDIENTS

- 2 lbs stewing beef
- 2 lbs potatoes
- 1 lb carrots
- 1 onion
- salt/pepper

METHOD

- 1 Place stewing beef, cubed potatoes, sliced carrots, diced onion, 2 tsp salt, and 2 cups water in slow cooker.
- 2 Cover and cook LOW 8 hours until beef falls apart. Brown the beef in a hot pan before it goes into the cooker, dark on every side. The cooker cannot make that crust, and the stew tastes of it for hours.
- 3 Divide into 6 containers.

**BETTER WITH** *A head of garlic, A bottle of vinegar* Two cloves of garlic, chopped, into the pan for the last thirty seconds before the liquid goes in — any longer and it burns bitter. A teaspoon of vinegar stirred in at the end, off the heat. It does not taste of vinegar; it tastes like the pot woke up.

# Lean Beef & Pinto Bean Chili

INGREDIENTS

- 1.5 lbs ground beef
- 2 cans pinto beans
- 1 can diced tomatoes
- chili spices

METHOD

- 1 Brown beef in large pot 8 mins, drain grease.
- 2 Add pinto beans, diced tomatoes, 1 tbsp chili powder, and 1 cup water. This is where the cumin goes: a teaspoon of it with the chili powder. Chili powder is mostly mild, and cumin is what makes a pot of beans taste like chili rather than like tomatoes.
- 3 Simmer 30 mins on low. Divide into 6 containers.

**BETTER WITH** *Onion, garlic, smoked paprika, oregano* A diced onion softened with the beef, garlic at the end. A teaspoon of smoked paprika and one of oregano with the chili powder. Chili powder alone is one note; these are the other two.

# BBQ Shredded Pork & Potato Bowls

INGREDIENTS

- 2 lbs pork roast
- 2 lbs potatoes (cubed/roasted)
- 4 tbsp BBQ sauce <sup>331</sup>

METHOD

- 1 Cook pork roast in slow cooker on LOW 6 hours; shred with forks and mix with BBQ sauce. No bottle in the house? Recipe 331 makes barbecue sauce from the storehouse shelf.
- 2 Roast cubed potatoes at 400°F for 25 mins.
- 3 Divide into 6 containers.

**BETTER WITH** *Onion, smoked paprika, cider vinegar, A head of garlic* Smoked paprika over the potatoes before they roast. A splash of cider vinegar and some raw diced onion through the pulled pork. Sweet sauce needs sharp things against it. Two cloves of garlic, chopped fine, in after the onion and before the liquid. Thirty seconds is enough; it only needs to smell.

# Chicken & Ribbon Pasta Bake

INGREDIENTS

- 2 lbs chicken breast
- 16 oz ribbon pasta
- 1 can spaghetti sauce

METHOD

- 1 Preheat oven to 350°F. Boil the pasta two minutes short of the packet time — it finishes in the oven, and pasta boiled soft first bakes to mush.
- 2 Cut cooked chicken into bite-size pieces. If the chicken is not already cooked, cook it through first — 165°F, no pink at the centre. Pat the chicken dry and lay it in a hot pan, and do not move it until the underside is brown. Wet chicken steams; dry chicken browns.
- 3 Mix chicken, pasta, and spaghetti sauce in baking dish.
- 4 Bake at 350°F for 20 mins.

**BETTER WITH** *Onion, garlic, oregano, parmesan* Onion and garlic softened and stirred into the spaghetti sauce, with a teaspoon of oregano. Parmesan over the top before it bakes.

# Creamy Chicken & Broccoli Pasta

INGREDIENTS

- 2 lbs chicken breast
- 16 oz macaroni
- 1 can cream of chicken 337
- 1 lb broccoli

METHOD

- 1 Boil the macaroni and broccoli together about 8 minutes, until the pasta is just tender and the broccoli still has some bite; drain.
- 2 Stir in cooked diced chicken and cream of chicken soup. Portion into 6 containers. Salt the chicken fifteen minutes ahead, pound the thick end level, and give it five minutes off the heat before it is cut. Dry chicken is a method problem, not a chicken problem.

**BETTER WITH** *Garlic, black pepper, parmesan, lemon* A clove of minced garlic and plenty of black pepper stirred into the soup before it meets the pasta. Parmesan and a squeeze of lemon at the end. Condensed soup is salty and flat; acid is what lifts it.
